

## RIGHT HERE WAITING - RICHARD MARX

### VERSE 1

Oceans apart, day after day and I slowly go insane.  
I hear your voice on the line but it doesn't stop the pain.

#### PRE CHORUS (SOPRAN höher)

If I see you next to never  
how can we say forever?

#### CHORUS (SOPRAN höher, ALT tiefer)

Wherever you go, whatever you do  
I will be right here waiting for you.  
Whatever it takes, or how my heart breaks  
I will be right here waiting for you.

### VERSE 2

I took for granted, all the times that I thought would last somehow.  
I hear the laughter, I taste the tears, but I can't get near you now.

#### PRE CHORUS (SOPRAN höher)

Oh, can't you see it, baby?  
You've got me going crazy

#### CHORUS (SOPRAN höher, ALT tiefer)

Wherever you go, whatever you do  
I will be right here waiting for you.  
Whatever it takes, or how my heart breaks  
I will be right here waiting for you.

### BRIDGE (SOPRAN höher, ALT tiefer)

I wonder how we can survive this romance  
But in the end if I'm with you I'll take the chance

#### PRE CHORUS (SOPRAN höher)

Oh, can't you see it, baby?  
You've got me going crazy

#### CHORUS (SOPRAN höher, ALT tiefer)

Wherever you go, whatever you do  
I will be right here waiting for you  
Whatever it takes, or how my heart breaks  
I will be right here waiting for you
